

IFI INITIAL TESTING PLAN and FINAL REPORT 2015

On december 6th, 2014 the IFI Board decided:

To make during 2015 a total of 32 doping tests divided in:

<i>In Competition</i>	<i>24 samples - all of them urine</i>
<i>Out of competition</i>	<i>8 samples - all of them urine</i>

The samples collection will be done by the PWC GmbH - Germany

In total, the following samples were finally collected without any complaints and were reported through ADAMS:

<i>In Competition</i>	<i>23 samples - all of them urine</i>
<i>Out of competition</i>	<i>7 samples - all of them urine and</i>
<i>Out of competition</i>	<i>1 sample – analyzed on GHRF</i>
