

IFI INITIAL TESTING PLAN and FINAL REPORT 2016

On december 6th, 2015 the IFI Board decided:

To make during 2016 a total of 26 doping tests divided in:

<i>In Competition</i>	<i>18 samples - all of them urine</i>
<i>Out of competition</i>	<i>8 samples - all of them urine</i>

The samples collection will be done by the PWC GmbH - Germany

In total, the following samples were finally made without any complaints and were again reported through ADAMS:

<i>In Competition</i>	<i>16 samples - all of them urine</i>
<i>Out of competition</i>	<i>7 samples - all of them urine and 1 sample – analyzed on GHRF</i>
